

```

var linkedList1042 = new LinkedList();
var node1043 = new Node["1043"];
assert.equal(linkedList1042.remove(node1043), false);
linkedList1042.removeNode();
linkedList1042.removeNode();
var node1044 = new Node[""];
linkedList1042.prepend(node1044);
var node1045 = new Node["1045"];
linkedList1042.prepend(node1045);
assert.equal(linkedList1042.remove(node1045), true);

```

Figure 3.4: Unit test

```

var linkedList105 = new LinkedList();
var node106 = new Node["105hybrid"];
var node107 = new Node["105hybrid"];
linkedList105.insertBefore(node106, node107);
linkedList105.set(2);
var node108 = new Node["105hybrid"];
linkedList105.append(node108);
var node109 = new Node[""];
linkedList105.remove(node109);
// TypeError: Cannot set property 'next' of null

```
